

Quality Policy Statement

We strive to be the premier producer of packaging solutions, committed to delivering products and services for a sustainable lifespan.

Our principles

We are honoured and privileged to work with our clients and commit to meet their expectations, as well as our obligations to all the interested parties under every mandate entrusted to us.

We listen to their feedback and respond to the best of our technical and managerial abilities without ever compromising quality, health and safety, security, environment, and ethics, fostering our culture of accountability, innovation, and results.

By fully endorsing the values of the company, we promote a "Right First Time" mind-set and continually develop our staff and their capabilities. We work collaboratively with colleagues, clients, supply chain and stakeholders to ensure that our values are fully integrated into our processes.

Our commitments

- > Operate and comply with a Quality Management System in accordance with the requirements of ISO 9001:2015.
- > Ensure compliance with customer and internal requirements, applicable laws and regulations at all stages of our mandates.
- > Set quality objectives and targets in every functional and operational unit and subsidiary based on the requirements of ISO 9001:2015.
- > Ensure the suitability and effectiveness of our suppliers; and
- > Promote the continual improvement in the effectiveness of the Quality Management System by undertaking appropriate assurance activity, monitoring performance, and capturing and acting on lessons learned.
